**AFFIDAVIT OF PLAINTIFF IN OPPOSITION TO
DEFENDANTS ANDRE PERRY AND HECHINGER INSTITUTE’S
MOTION TO DISMISS THE COMPLAINT**

STATE OF NEW YORK)

)ss.:

COUNTY OF NASSAU)

I, PATRICIA CUMMINGS, being duly sworn, deposes and say as follows:

1. I am the Plaintiff in the above referenced action. As such, I am fully familiar with the facts and circumstances of this matter.

2. I submit this Affidavit in conjunction with my attorney’s Declaration and Memorandum of Law in Opposition to the Defendants’ Hechinger Institute on Education and the Media, an institute of Teachers

College, Columbia University and Dr. Andre Perry (collectively, the “Hechinger Defendants”) Motion to Dismiss Pursuant to Federal Rule of Civil Procedure 12 (b)(6), in its entirety with prejudice; and for such other and further relief as this Court deems to be just and proper.

3. I have read the annexed Declaration and Memorandum of Law in Opposition of my attorney, Thomas F. Liotti, Esq., and the legal arguments contained therein are true to my own knowledge, and I adopt them as if set forth herein.

4. I was a probationary New York City Public School Teacher at The William W. Niles School - Middle School 118, Community School District 10, in Bronx County, New York, and I seek damages related *inter alia* to the infliction of defamation, defamation *per se*, reverse discrimination, denial of due process, severe emotional, psychological, and physical distress, loss of reputation, loss of income, expenses upon me, the erroneous termination of my employment as a New York City school teacher, and the “*badge of infamy*” with which I have forever been branded.

5. This claim arose as a result of what was fallaciously reported concerning an alleged complaint made by **one (1)** parent of **one (1)** student regarding a lesson taught by me in *one of* my social studies class on the Middle Passage, wherein I subsequently and unwillingly became the subject of a front page pictorial and story in the New York Daily News, falsely accusing me of being a “*racist*” and “making black students lie face down on the floor of her class”, and asking them: “[*H*]ow does it feel to be a slave?” This fabricated and erroneous set of purported “facts” was picked up by the media worldwide and transmitted to various news outlets and appeared online and in media all over the world, such as the United Kingdom, China, and Nigeria, just to name a few.

6. Supplementing these Opposition papers herein as Exhibit B, is my responsive correspondence to Maribel Torres-Hula, Community Superintendent of the New York City Department of Education dated October 5, 2018, prepared and sent following my receipt of a notice advising that it was under consideration whether my services as a probationary teacher would be discontinued at the close of business on October 18,

2018. My conjecture is that this notice and consideration was yet another disciplinary action/punishment stemming from the Office of Special Investigation case, wherein the allegation against me was unsubstantiated.

7. It is my intention to incorporate the arguments raised in my October 5, 2018 correspondence as though they were fully set forth herein in my Affidavit.

8. The arguments proffered on my behalf by my attorneys in the accompanying Memorandum of Law sufficiently dispute the Defendants' Dr. Andre Perry and Hechinger Institute unsophisticated attempt to argue to dismiss the claim against them.

9. Based on the foregoing, the relief requested by Dr. Andre Perry and Hechinger Institute's Defendants should be denied in its entirety; and such other and further relief should be granted to the Plaintiff, as to this Court may seem just and proper.

{This space left blank intentionally; signature page to follow}

WHEREFORE, it is respectfully requested that the Defendants' Motion be denied in its entirety, and that the Plaintiff be granted such other and further relief as to the Court may seem just and proper.

Patricia Cummings
